## Items

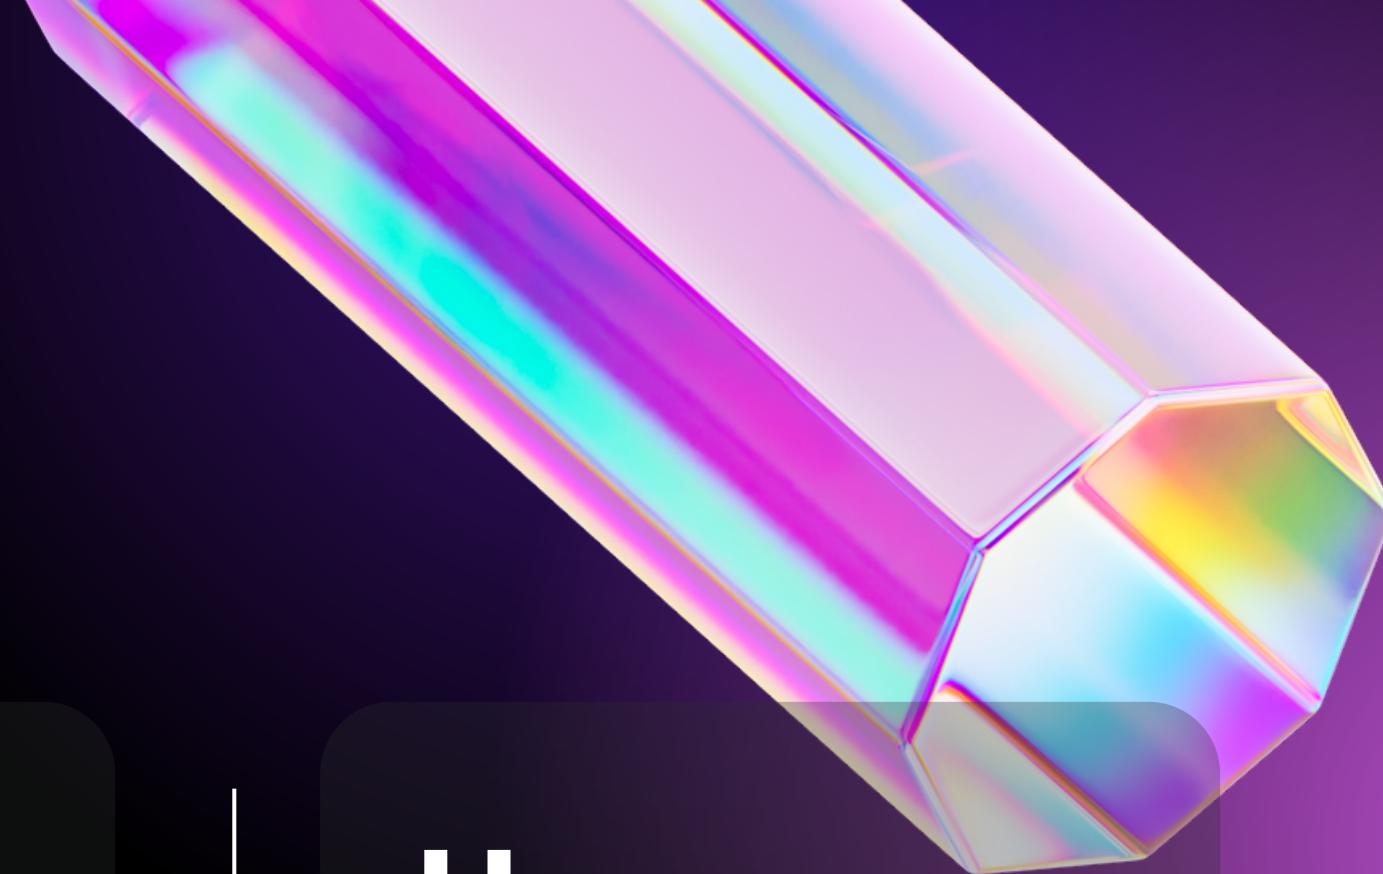

- id
- userid
- name
- quantity
- description

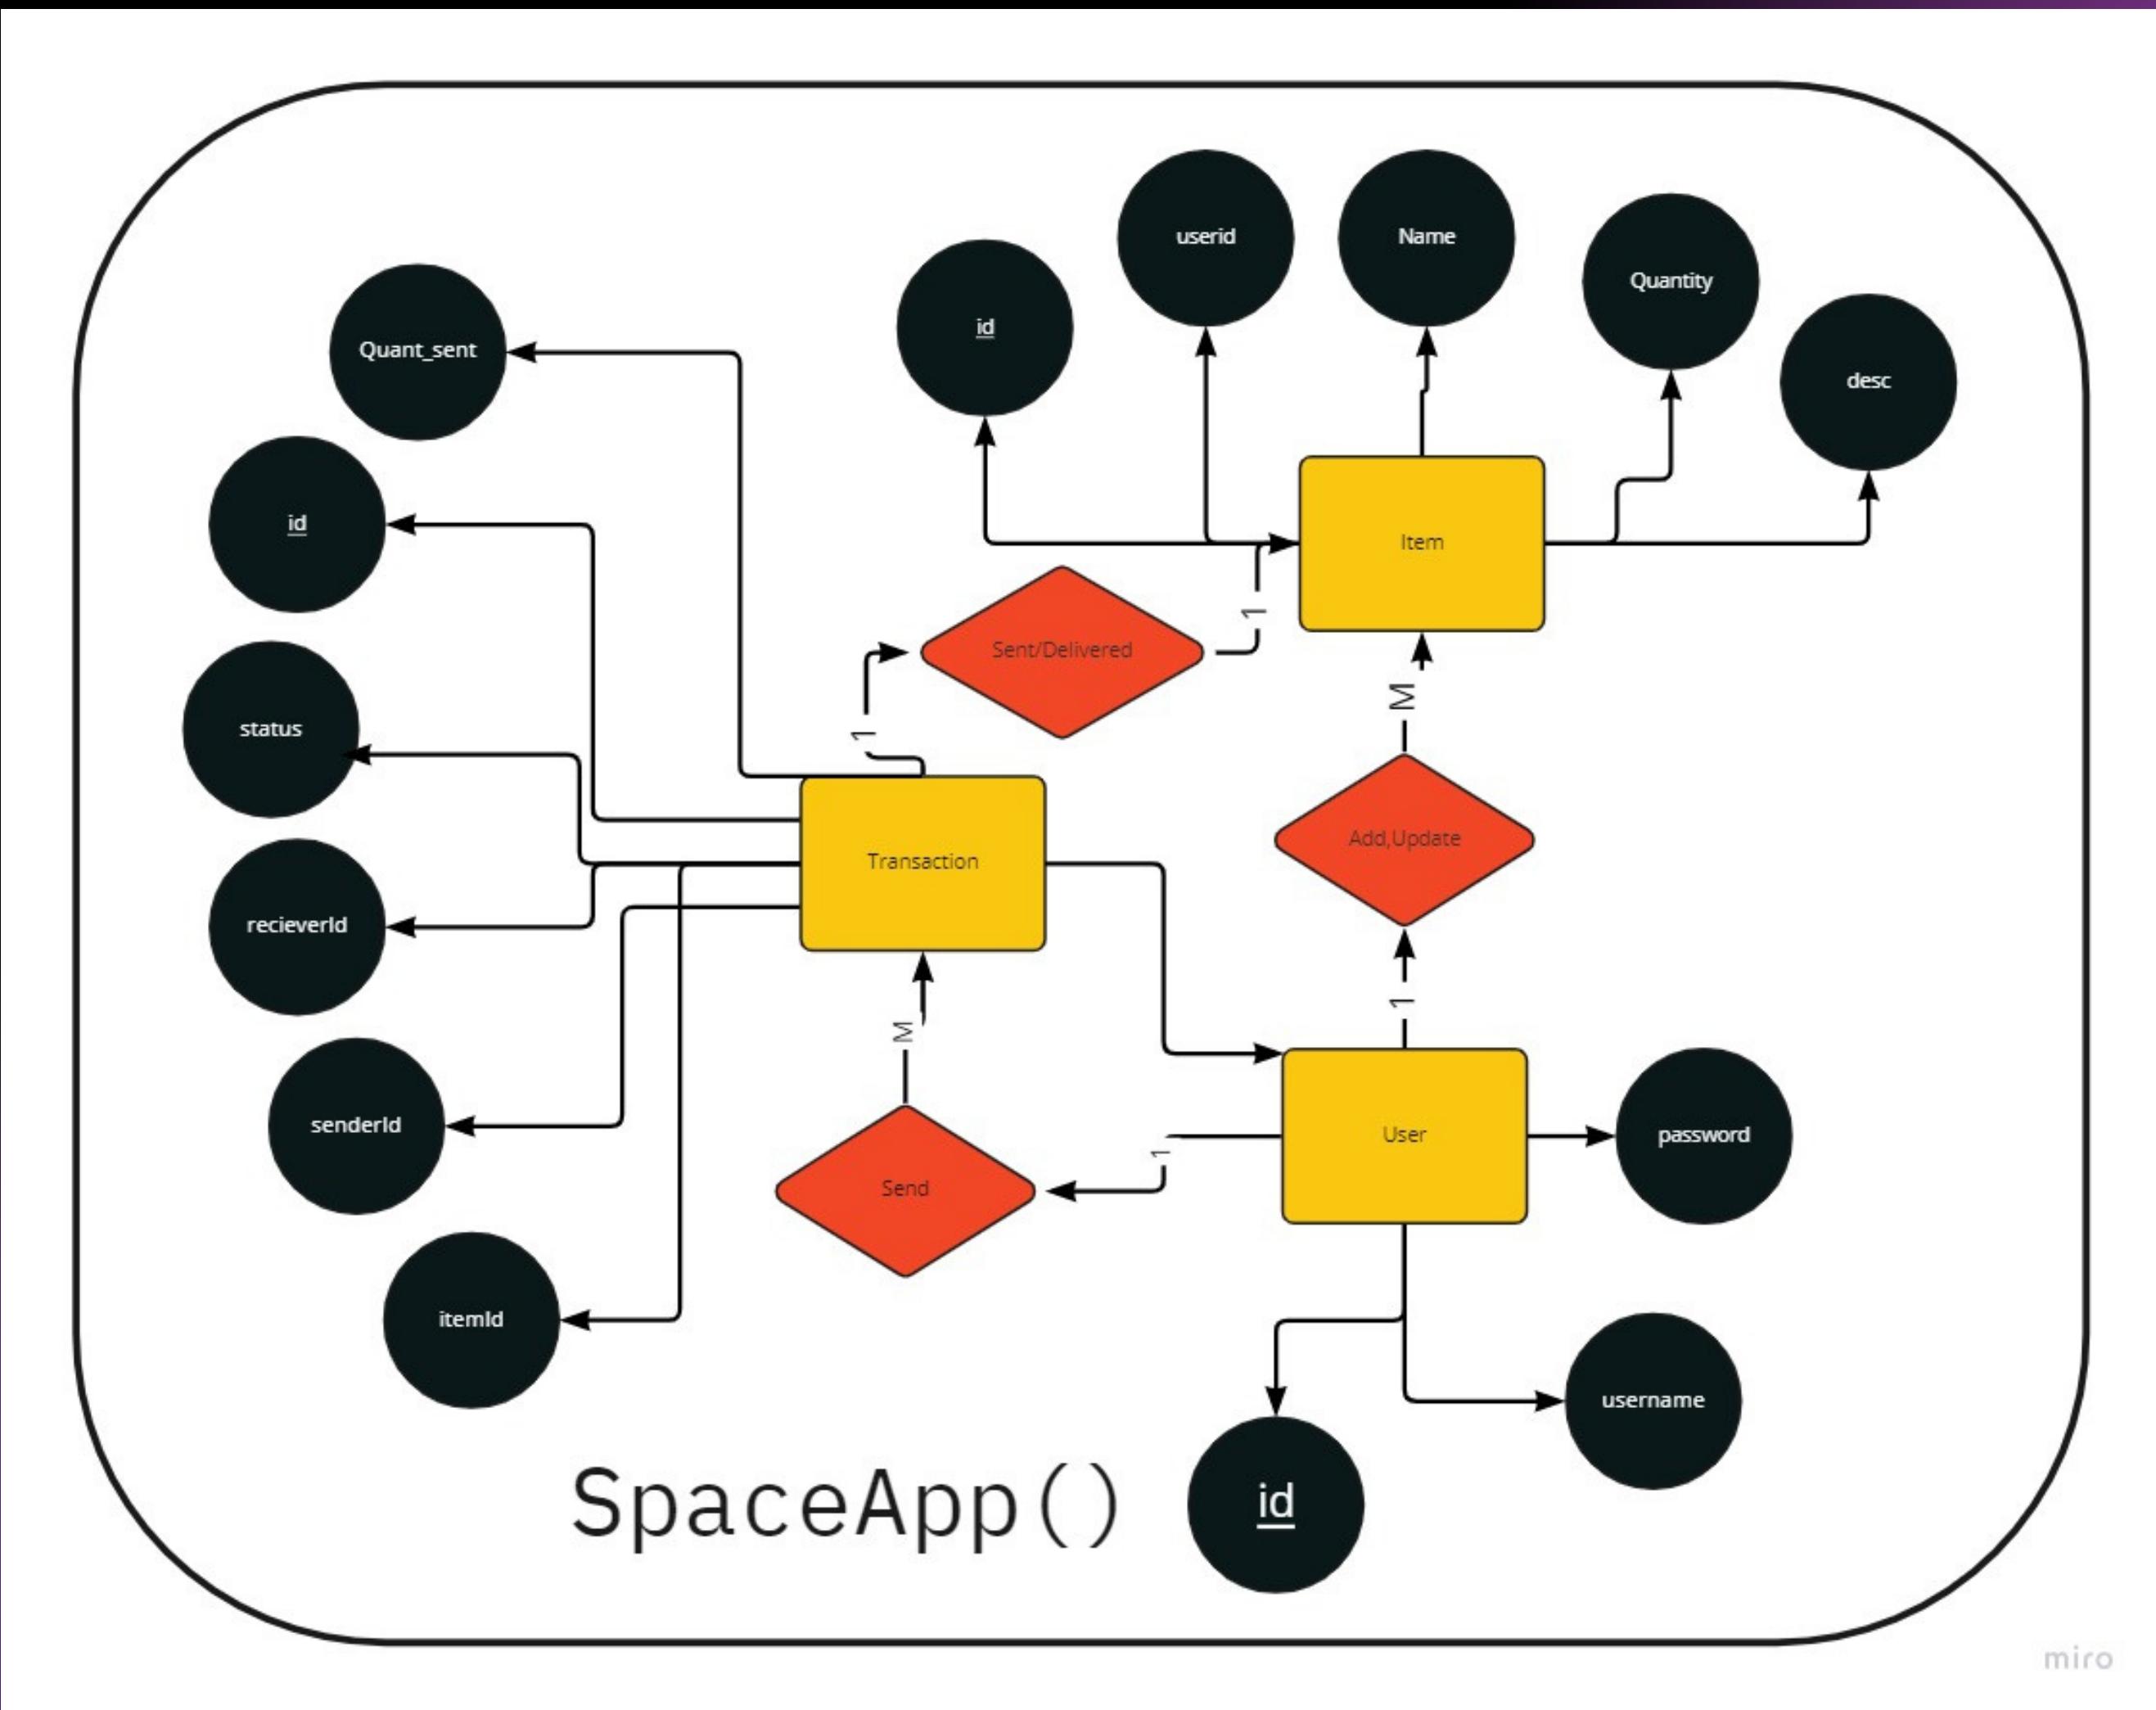

## Transactions

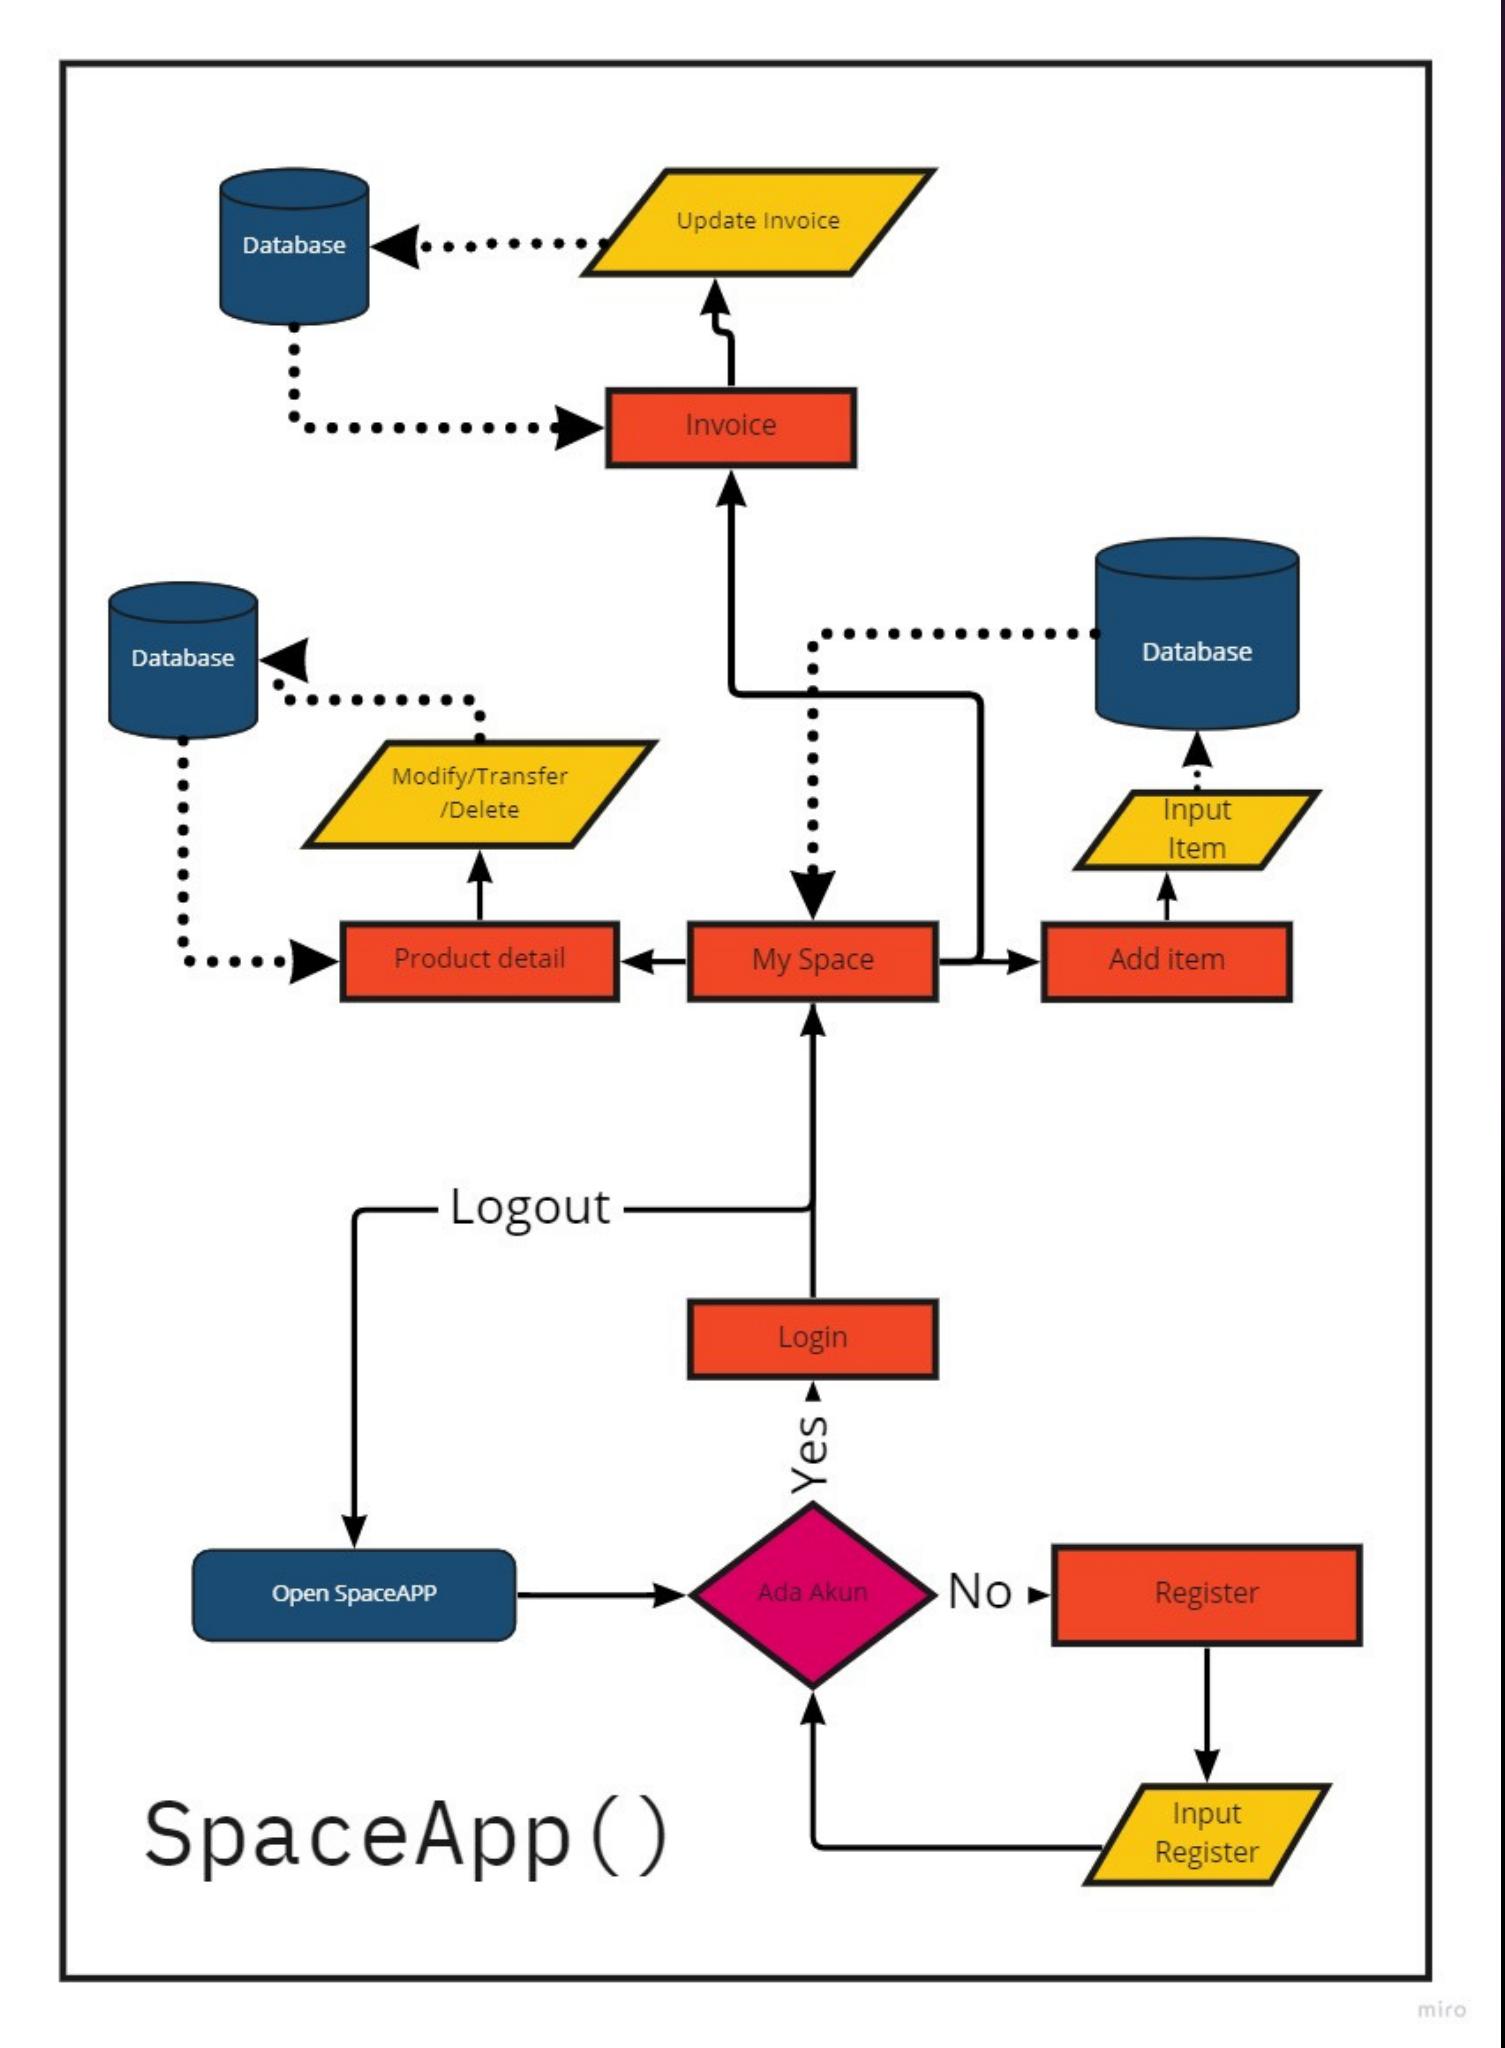

- id
- quant\_sent
- receiverid
- senderid
- status
- itemid

## User

- Username
- id
- password

A large, abstract 3D rendering of several translucent, colorful rings (resembling candy canes) is positioned on the left side of the frame. The rings are rendered with a soft, glowing quality and are set against a dark, solid purple background.
